

3 September 2019

Dear Parent/Carer

Turing House Parent/Carer Information Evening – Monday 9 September

I wish to thank you for your support throughout the past academic year. It was another truly fantastic year full of individual and year group successes and achievements. The new academic year promises even more success for our young people, and I am keen to communicate specific information about your child's education as Head of Turing House.

A Turing House Parent/Carer Information Evening is being held in the dining hall at St. Katherine's School on **Monday 9 September (7.00-8.00pm)**. I would very much like you to attend this evening to enable you to support your child's learning for the coming academic year. Topics covered in the evening will include:

- Attendance information, advice and guidance
- Expectations for pupils including our Ready to Learn system and Class Charts parent app
- How to support your child at home, including literacy, numeracy and the appropriate use of digital technology.
- An opportunity for you to ask any questions

I would be grateful if you could contact the school to confirm your attendance at this event. Please call the school or email school@stkaths.org.uk clearly stating your name and the name of your child.

I look forward to seeing many of you on **Monday 9 September**.

Yours sincerely

Hannah Price
