Dear Parent/Carer

We have now allocated all 254 seats on the new SK Buses and families should have received details of their allocated route and seat number. Please print the email that you received and use this as the ticket for the first day of travel.

Details of all 4 routes with pick up and drop off times as well as links to maps can be found here - [SK Bus Timetables](#).

We now hold a small waiting list for places on the SK services and if you would like to add your details to the list please email francisblacka@skdrive.org.

We have also heard from First Bus that they have been provided government funding to run an additional X4 service for the next 6 weeks. This service will be reserved for St Katherine's Students and will arrive and depart from the school site, only running between Bristol Bus Station and St Katherine's. The timetable for this service can be seen here - [X4S Timetable](#).

We thank you for your patience and support as we have tried to unpick the challenges of the last few months.

Yours sincerely

Alan Francis-Black
