

Monday 14 June 2021

Dear Parents/Carers

Further to yesterday's letter regarding the two positive LFD tests, we can now confirm the following:

- one of the confirmatory PCR tests has been returned positive. Close contacts contacted yesterday must continue to isolate.
- Year 10 and those students who travelled on the SK2 will remain Learning@Home tomorrow - Tuesday 15 June.
- students should continue to self isolate
- Year 10 mock examinations are postponed for today and tomorrow.
- Year 12 mock examinations will continue with students completing their papers at home.
- Should your child require a Chromebook, please contact their Head of House.

Action required

- Year 10 students and those on the SK2 must take an LFD test today and submit the result on classcharts and track and trace.

We will write with a further update tomorrow once we have received the result of the second confirmatory PCR test. Thank you for your patience and continued support.

Kind regards

Justin Humphreys
Headteacher
