

21 October 2021

Dear Parents/Carers

Further to my email earlier this week on 18 October, the transmission of the virus has continued within the wider community, affecting increasing numbers of students and staff. We have worked hard this week to ensure continuity of our curriculum delivery and today we have reached maximum capacity within this modified model, taking into account our risk assessment and the health and safety of all students and staff.

We have taken the decision to close the school on Friday 22 October for specific year groups as detailed below:

Year 7	Open as normal
Year 8	Closed
Year 9	Closed
Year 10	Closed
Year 11	Open as normal
Year 12/13	Open as normal

Those year groups at home should access their Google Classrooms at the start of the lesson and either join the class or complete the work set for each lesson. Please ensure your child checks Classcharts for any outstanding homework to be completed before we return on Wednesday 3 November.

Thank you for your continued support and understanding. Wishing all our families a restful half term break.

Yours sincerely
