What to do when you have a new Year 7 secondary school place offer and when you need to do it

You must reply to your home local authority by **15th March 2023** when receiving an offer for a new Year 7 secondary school place offer.

If you Applied online

If you applied online you'll get an email with a link to log on to the Parent Portal. When you have logged in you should either:

- **accept the place** by placing a tick in the 'accept' box, before clicking send response
- **not accept the place** and ask to go on a waiting list for a school that you applied for but did not get offered a place
- **not accept the place and request an appeal** for your preferred school
- not accept the place and tell your local authority that the place is no longer needed for example if your child will be attending an independent school
- not accept the place and request new school preferences, all changes must be made in writing to your home local authority. If you applied by post your offer letter will include a form for you to indicate what you want to do which you must fill in and return
