

Behaviour For Learning 2016/2017

St Katherine's School

Behaviour expectations

Our overriding aim at St. Katherine's School is for our students to display polite, respectful and responsible behaviour at all times. We want our school to be a warm, caring, friendly and happy place where learning and personal development can flourish. We rightly expect the very highest possible standards of behaviour at our school.

St Katherine's School

Behaviour expectations

Students' behaviour around the school should be impeccable; every lesson should be characterised by a relentless focus on learning, free from distraction and disruption. Every student and every member of staff should be able to feel relaxed and happy, confident that their working environment is one where people are kind, courteous and respectful at all times.

St Katherine's School

Behaviour expectations

We have very high expectations of our students which is based on the principle that, once students know the rules and the consequences, they can make the right choices for themselves and for others.

We want our boundaries to be very clear and there are clear consequences if they stray beyond them. At school, in every situation where there are rules, students either choose to follow them or they make a choice to break them and face the consequences. The rules have to be clear and the consequences need to be consistent for this to work and that is our aim in implementing this system.

St. Katherine's School

Expectations of all students

Students are expected to follow these rules in every lesson.

- Respond promptly to the signal for attention
- Follow instructions from staff when given
- Remain on task as directed
- Listen when others are speaking

Teaching staff will use the C1, C2 and a PL detention if students do not follow these rules.

St Katherine's School

Expectations of all students

Arrive on time:

- This means being on time for morning registration, assembly, Tutor time, and lessons after break or after lunch.
- It means no later than 5 minutes after the bell at lesson change-overs unless there is a note from a member of staff. A C4 detention will be given for lateness to registration or a lesson where the student is more than more than 5 minutes late without a valid reason.

St Katherine's School

Expectations of all students

Additional rules to note:

- No toilet breaks are allowed during lessons unless a student has been issued with a Toilet Pass for medical reasons by the Head of Year.
- There should be no food or drink consumed in the school building except the dining hall. Only water is allowed within lessons, except in particular subjects e.g. science, where drinking is not allowed for safety reasons. Chewing is completely banned anywhere in the school building or in the outside areas. Any chewing will result in an immediate C4.

Expectations of all students

St Katherine's School

- Mobile phones can be used at break times, lunchtimes and after school. Any type of videoing or photographing is absolutely forbidden.
- Students may use their mobile device discretely outside the school buildings for essential calls at break and lunchtime.
- Students are not permitted to walk around the site/be in lessons with ear phones visible. Staff will instruct students to remove these and place them in their bag. If a student refuses to remove these as requested, the member of staff must complete a serious incident form.

Expectations of all students

St Katherine's School

- No use of mobile devices in lessons without explicit permission from teaching staff. The consequence for using phones and other devices without permission is a C4 and confiscation of the item. On the first occasion the mobile device will be confiscated for one day. On the second occasion parents will have to collect the device from Student Support. Refusal to cooperate with a confiscation will result in a C8.

St Katherine's School

Expectations of all students

Expectations of all students

Students are expected to treat all school property and the school environment with respect. A C4 will be issued for any deliberate minor damage such as inappropriate use of the toilet facilities, littering or marking the school walls etc.

Behaviour For Learning

St Katherine's School

The changes that we have made to our Behaviour For Learning system make it easier for all staff to reward students who are demonstrating excellent behaviour and sanction students who choose to not follow our rules and expectations.

We want all students to demonstrate our “3Rs” in every aspect of their behaviour:

- **Respect**
- **Responsibility**
- **Resilience**

St Katherine's School

Behaviour For Learning

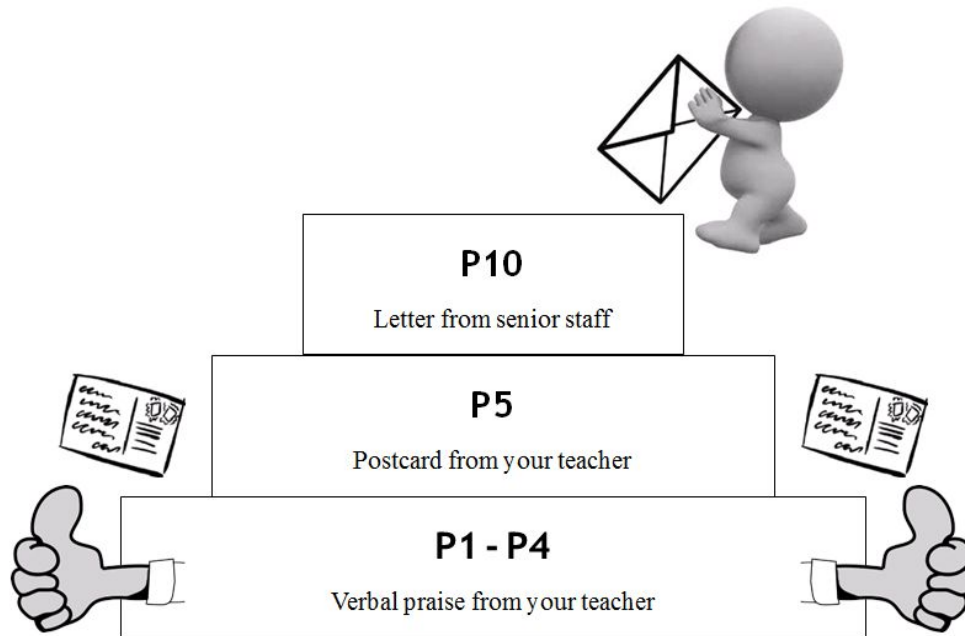

These three behavioural values complement the four clear expectations that we have for all of our students:

- **I will be on time, ready to learn**
- **I will follow instructions first time**
- **I will try my best at all times**
- **I will respect myself and the school community**
