

15 September 2017

Dear Parents/Carers

Jeans for Genes Day - Friday 22 September

We remain committed to raising awareness and supporting the work of a range of charitable organisations and Friday 22 September is national Jeans for Genes Day. St Katherine's will support this charity which aims to raise money for the half a million children in the UK who are affected by a life-altering genetic disorder.

Along with assemblies next week and activities in tutorial sessions, **we are permitting students to wear their jeans to school next Friday**. All other uniform expectations apply including hair and jewellery. We will be asking all students to make a £1 donation on the day.

Thank you for your support.

Yours sincerely

Hayden Southon
Deputy Headteacher
