

St Katherine's School

2 October 2017

Dear Parent,

Revision Guides for Year 11

As GCSEs start to approach for Year 11 it is important to make sure that they have resources at hand to support their learning. Whilst the maths faculty provides them with online access to MathsWatch, the video and interactive learning website, some students will find it helpful to have additional notes to refer to and sets of questions to practice. Furthermore some students may find that they are better able to revise from hard copies of resources.

With this in mind, as an education provider we are able to acquire sets of the Edexcel Revision guides and Student Workbooks at a discount to their RRP. The prices are as follows:

Higher revision guide (ISBN: 9781447988090) - £2.45

Higher revision workbook (ISBN: 9781292210889) - 2.49

Foundation revision guide (ISBN: 9781447988045) - £2.45

Foundation revision workbook (ISBN: 9781447987925) - £2.49

Students have had the relevant titles added to their parent pay accounts according to the tier of entry that they are currently studying. If you wish to purchase these titles for your son/daughter please submit the payment by Friday 14 October 2017.

If you should have any questions in the meantime please contact me on 01275 373737 or at birtles@skdrive.org

Yours sincerely

Steven Birtle
Head of Maths
