

11 October 2018 - 6th form Trip to the University and Apprenticeship Fair

The 6th form visited Ashton Gate for the University and Apprenticeship Fair. There were loads of stands there from different universities and employers, a seminar programme featuring guest speakers talking about student finance, Higher degrees, what choose an Apprenticeship and life at University.

It was a really good day, giving students the change to find out more about their possible choices after they leave school.

24 September 2018 – Army team building day

The whole of Year 12 had a team building event with the Army on the school field. It was a good opportunity to find out about what life in the Army is like and how team building can strengthen skills and confidence between others. Thanks to the Army for giving our students such a great experience.

Careers information in the school library

Pupils, particularly from Years 7 and 8 have been checking out the ‘What Career do you want?’ display in the library. The aim is to get pupils thinking about possible careers they could pursue in future.
